

kamishibai

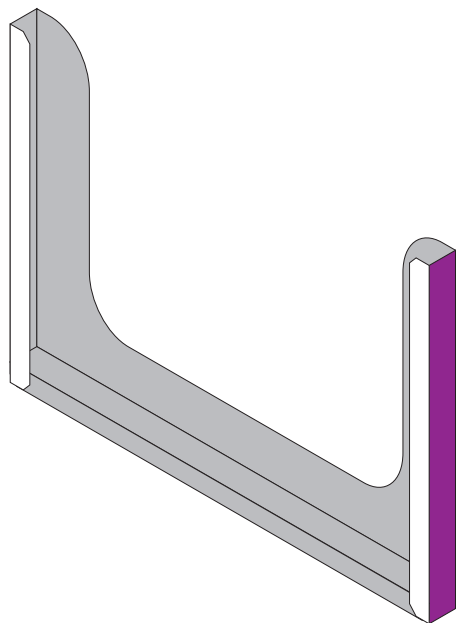

Armado

1. Unir las ocho partes del frente (A) y las cuatro partes de atrás (B) como se muestra en la siguiente imagen y pegarlas sobre un cartón.
2. Recortar por el contorno de cada una de las partes completas y luego el interior (rectángulos achurado) de la parte frontal.

3. Recortar las partes C y D sin pegarlas en el cartón aún.

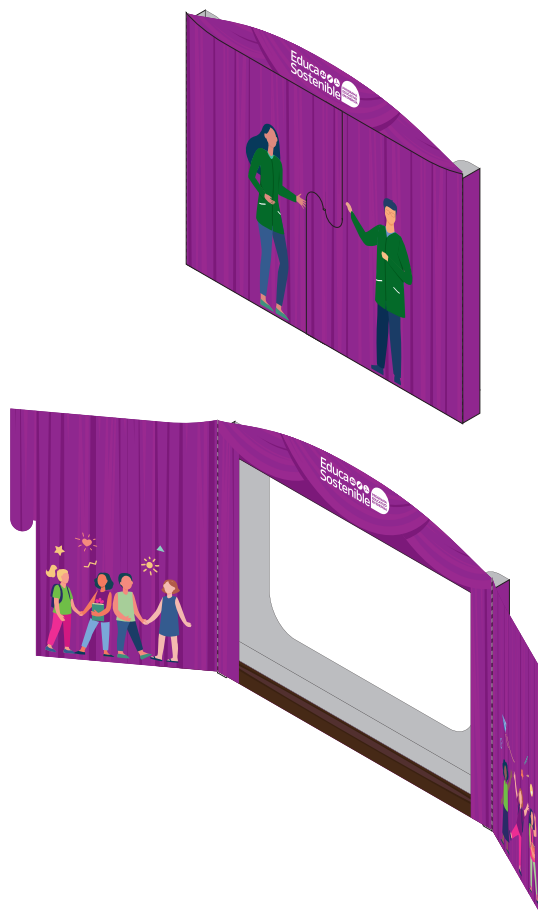

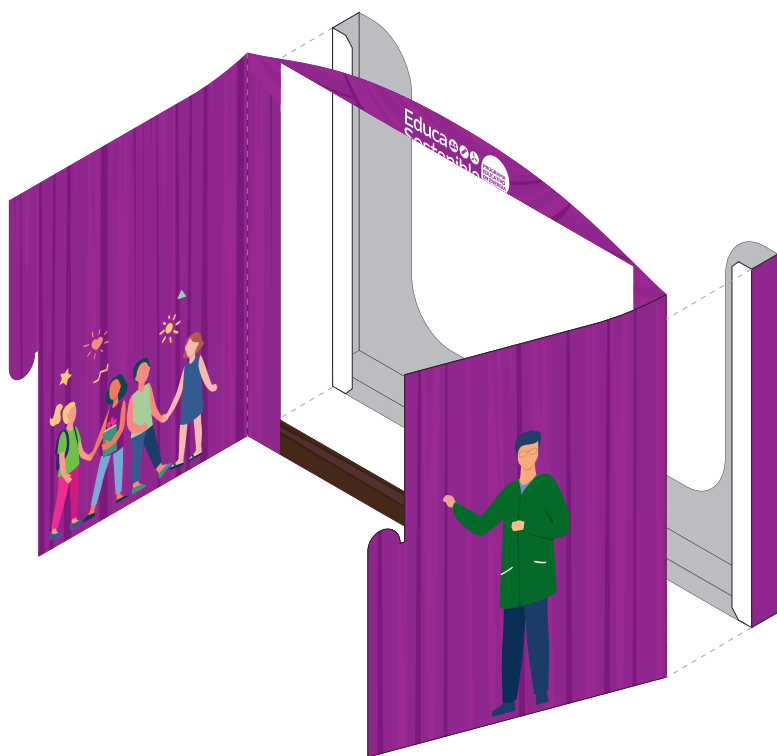

4. Armar la parte de atrás como se muestra en el siguiente diagrama.

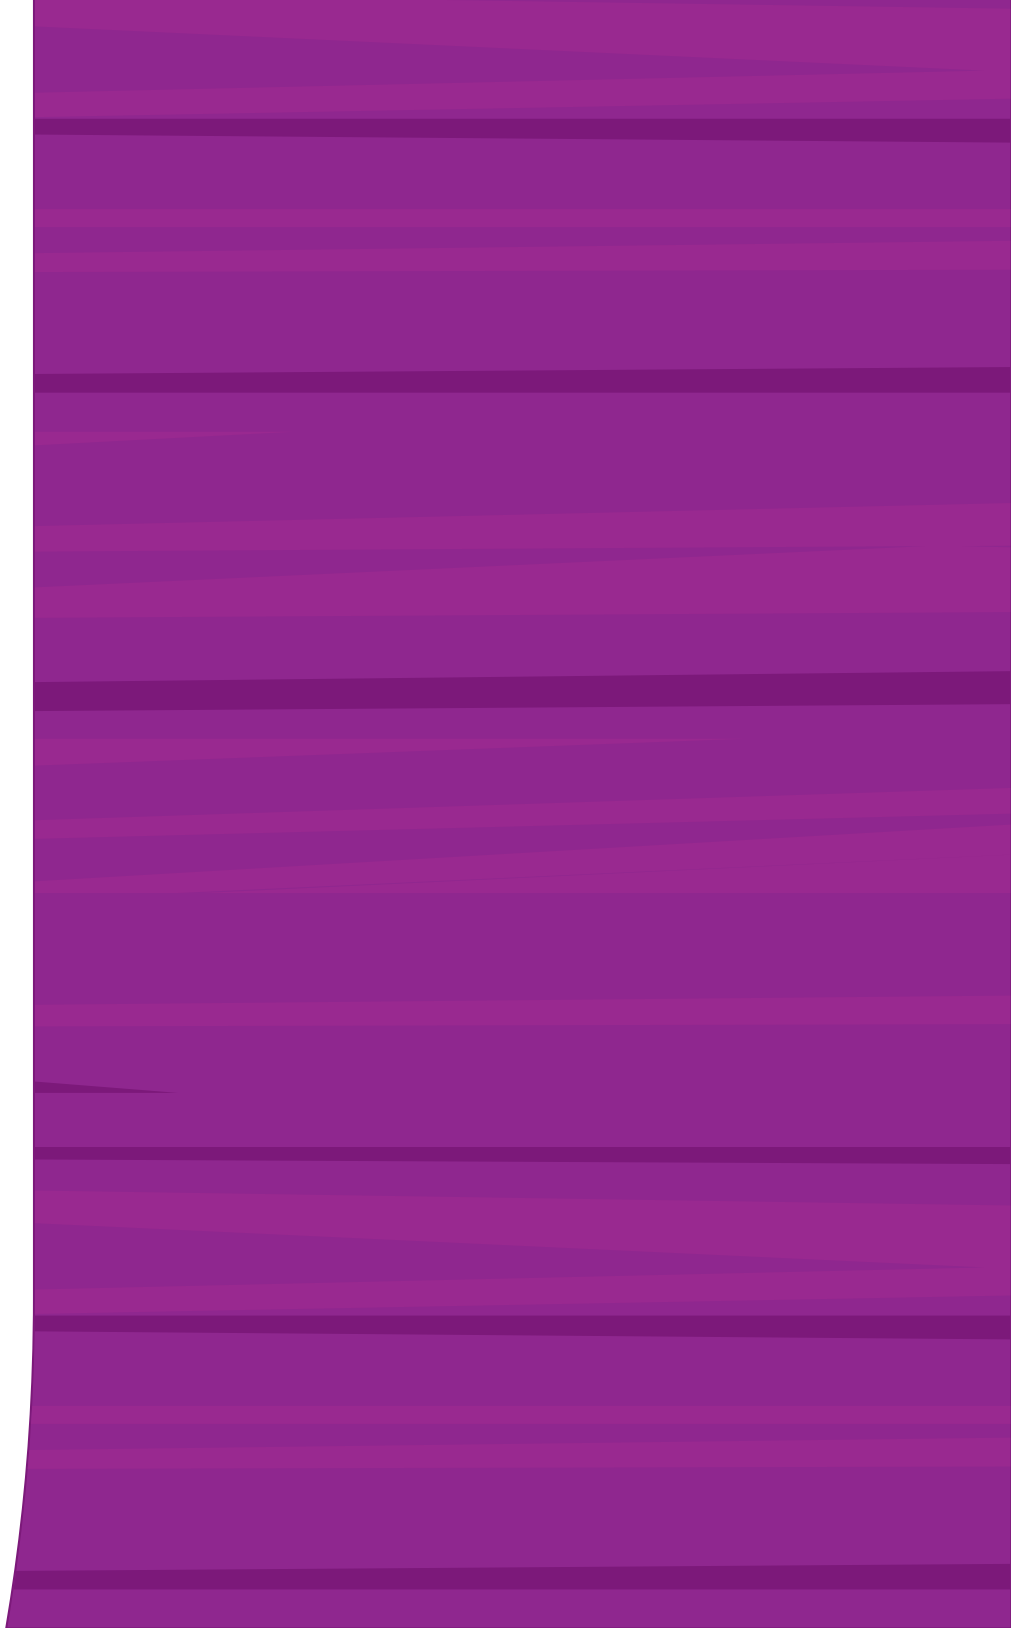

5. Doblar las tapas del frente en las líneas segmentadas y pegar las partes C y D por detrás.

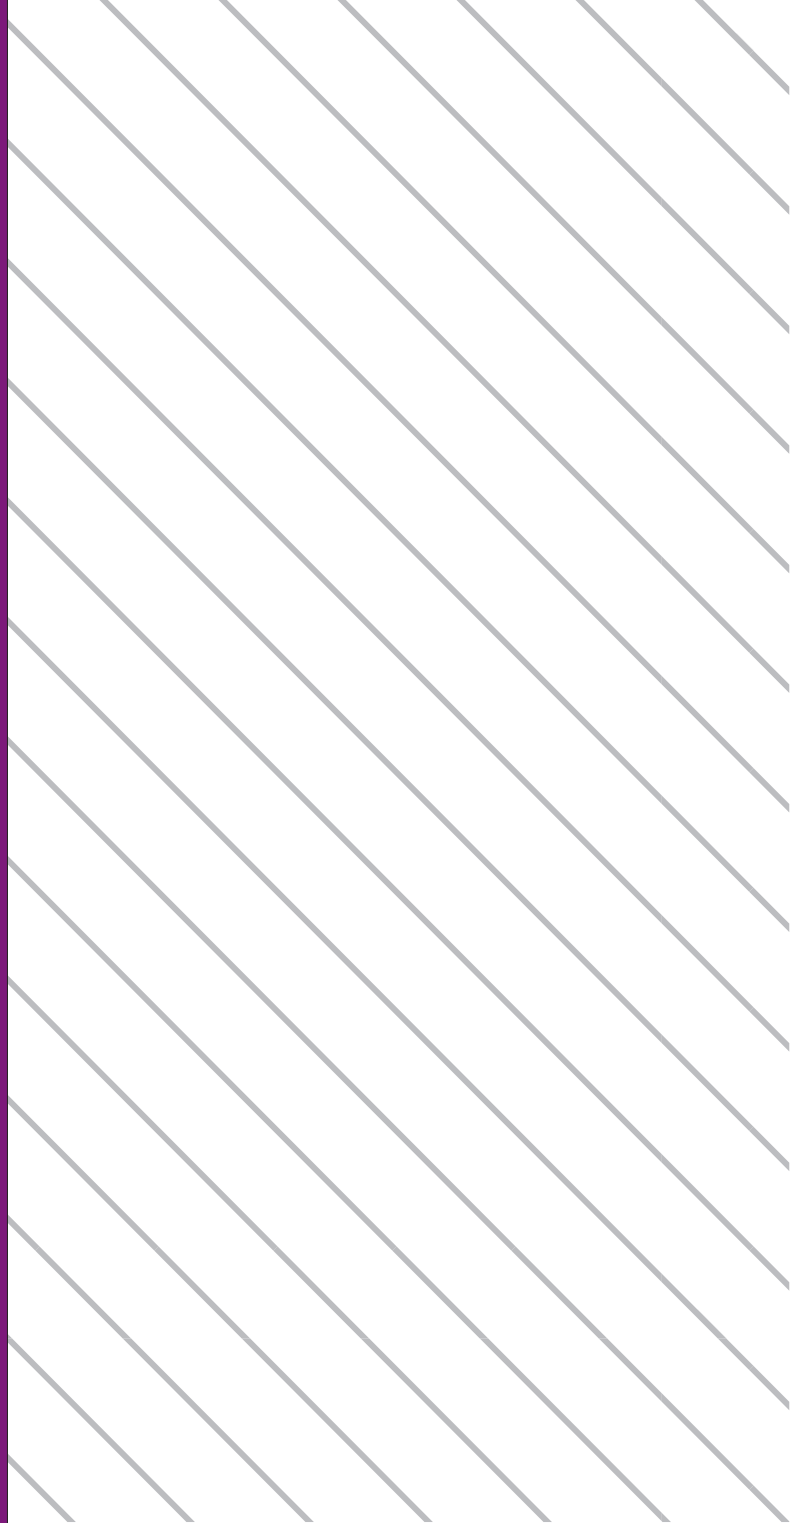

6. Pegar ambas partes.
